STATINTL

Telecom 31 January 1962, [redacted]

STATINTL

Purpose of conversation: To insure that [redacted] stopped programming at the end of funds which was estimated by [redacted] to have been used up as of 26 January 1962. [redacted] will not continue with the two remaining computer programs (the horizontal reduction program and the camera calibration program) until such time as the contract for computer rental for a half man day has been contracted for.
